Sex: M | Date of birth Jan 11, 1963 | Nationality Italian

ACADEMIC EXPERIENCE

1994 – today

Full Professor of Computer Science

Università Ca' Foscari Venezia
 Dipartimento di Scienze Ambientali, Informatica e Statistica

Main research interests concern programming languages theory and static analysis techniques, with particular emphasis on security applications.

He published more than 130 papers in high level international journals and proceedings of international conferences.

The complete list of my publications can be seen at www.unive.it/persone/cortesi

Current h-index is 19 according to Scopus, and 25 according to Google Scholar.

He served as member of several program committees for international conferences (e.g., SAS, VMCAI, CSF) and of editorial boards of scientific journals (Computer Languages, Systems and Structures, Journal of Universal Computer Science).

Currently, he holds the chairs of "Software Engineering" and "Program Analysis and Verification" in the Computer Science programme at Ca' Foscari, and the chair on "Computer Networks and Information Systems" in the Business Administration programme.

He serves as Coordinator of the EU Horizon2020 COST "Families_Share" Project, and as research unit leader of the Horizon2020 "EQUAL-IST Gender equality in Information Science and Technology" Project. He serves as PI of the MAE Italy-India project 2017-19 "Formal Specification for Secured Software System".

1991-1994

Research Assistant at Università Ca' Foscari di Venezia, Italy (1994 - 1998)
 Post-doc assistant at Brown University, USA (1992 - 1993)
 Post-doc researcher at Istituto Nazionale di Alta Matematica, Italy (1991 – 1992)

EDUCATION

1992

PhD in Computer Science

Università degli Studi di Padova, Italy

1986

Laurea (Master) in Mathematics

Università degli Studi di Padova, Italy
