

Informatica e Tecnologie per la Produzione del SW (UNIBA2)

Numero di lecture hours per KA

- AL: Algorithms and Complexity
- AR: Architecture and Organization
- CN: Computational Science
- DS: Discrete Structures
- GV: Graphics and Visualization
- HCI: Human-Computer Interaction
- IAS: Information Assurance and Security
- IM: Information Management
- IS: Intelligent Systems
- NC: Networking and Communications
- OS: Operating Systems
- PBD: Platform-based Development
- PD: Parallel and Distributed Computing
- PL: Programming Languages
- SDF: Software Development Fundamentals
- SE: Software Engineering
- SF: Systems Fundamentals
- SP: Social Issues and Professional Practice

Totale lect. hours dichiarati: 512.0
 T1 copertura: 86.67% (min 85%)
 T2 copertura: 75.52% (min 75%)
